

# The Calligraphic Coronavirus Chronicles

Carol DuBosch

I've been "throwing ink" at the Coronavirus and have put the art together in a 38-page Ebook available as a gift when you make a much-needed donation to the Oregon Food Bank. The Ebook can be viewed on your computer and devices, or you can print the PDF pages. All of the proceeds will benefit the excellent work of the Oregon Food Bank. <https://give.oregonfoodbank.org/CCC>
