

## LAYOUT

- 1.) Home work: Bring a simple background to next meeting.
- 2.) Have a quote that you have practiced and decided what script you will use for it.
- 3.) Write quote in several different ways on Tracing paper.
- 4.) Bring a few extra sheets of tracing paper.

## MARCH VCG MEETING

Bring Background, tracing paper practice writing and a few extra sheets of tracing paper.

You will be paired with a mentor to workout a pleasing layout to take back home and complete.

You will also be helped with finding a mat size for your art work.

## THEN AT HOME:

Use a light table to draw lines on back of paper where needed.

If you do not have a light table or cannot see through paper, draw guide lines very lightly on your background

On a scrap of same paper, practice erasing lines with eraser. (Some erasers will smear, you do not want that.)

Write out your quote as you have determined, erase lines and voila.

Mat and frame and submit to Mt Angel and State Fair.
