with Sally Penley

2.5-hour Recording

Previously recorded in October 2023

Description: In this 2.5-hour workshop, you'll learn to create beautiful little art masterpieces, perfect for holiday cards, mobiles and oversized gift tags, using acrylic paint, layering techniques, and several forms of metallic "bling." You will create 24 (or more!) sparkling, 2" x 2" "mini masterpieces" to place on greeting cards and several other uses (card templates provided). *No art experience necessary.*
